ADDENDUM NO. 1

Date: April 27, 2015

Invitation to Bid 15-0213

PROVIDE AND INSTALL OVENS, WASHER, AND DRYER AT THE LAKE COUNTY DETENTION CENTER

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

The purpose of this addendum is to respond to the following vendor inquiries:

Question 1: Can the washer and dryer be bid on separately from the kitchen equipment? There are no "Industrial" laundry equipment manufactures that also sell kitchen equipment. There are plenty of "appliance" manufactures that do, however this type of laundry equipment does not fall in an appliance category.

Answer 1: Vendors may bid to provide for only the required ovens, only for the required washers and dryers, or for all items cited in the ITB. In any such response, vendors must perform, and provide a price for, removal and disposal of any appliances replaced by the vendor. The initial ITB pricing table is hereby replaced by the attached revised pricing table to reflect this change in award structure. In addition, the Method of Award (ITB provision 1.3) is hereby replaced with the following Method of Award provision 1.3:

Section 1.3: Method of Award in the County's Best Interests

As the best interests of the County may require, the County reserves the right to make award(s) on a lowest price basis by individual item, group of items, all or none, or a combination thereof; with one or more vendor(s); to reject any and all offers or waive any minor irregularity or technicality in bids received.

Question 2: What is the estimate for the work to be performed?

Answer 2: The County estimate for the work to be performed is below \$100,000.

Question 3: The specified equipment has been updated with new model #s:

Spec'd Washing Machine - Unimac Model # UW125PVQU70001 –208VAC 3 phase

New model # UWN130T3V

Spec'd Dryer - Unimac Model UT120NRMF6G1W01 120lb. - 208VAC 3 phase

New model # are: UT120NRE

Answer 3: The equipment cited in the ITB is intended to be descriptive in nature and allows for vendors to propose alternate equal items. Vendors proposing alternate equal items shall submit descriptive literature as described in the Invitation to Bid.

Question 4: Bid Hardmount washers only. Cabinet & Softmount washers are cheaper but have much shorter lifespans.

Answer 4: Vendors are to install new equipment in a manner matching the current mounting architecture at the facility.

Question 5: Ask for 3 examples of equipment in detention facilities that have been in continuous operation for more than 20 years. The UniMacs currently installed at this facility are 24 years old.

Answer 5: The County intends to use the brand name or equal criteria to ensure adequacy of product.
